SETTLEMENT ; ORDER**

Time: 1:30 p.m.

Hon. Edward M. Chen

/

On August 29, 2012, when the undersigned was traveling on another matter, the Court entered an order requesting supplemental briefing regarding the motion for preliminary approval of the class action settlement in this matter. The undersigned will be out of the office for the Jewish Rosh Hashanah holiday starting this afternoon, until Monday, September 10, 2013. Co-counsel David Lowe, and the associate principally working on this matter with me at my firm, William Weeks, were both traveling internationally during the time the order requesting additional information was issued, and will be traveling the remainder of this week. The response requested requires significant coordination with Defendants' counsel, and that Defendants' counsel provide extensive additional information, which I believe will require additional time to make available.

Accordingly, I request until September 12, 2013, to submit the supplemental briefing in support of preliminary approval for the Court's consideration.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on September 4, 2013

Oakland, California
